

## WORD FAMILY WHEELS

### Directions:

**Take 2 paper plates**

**Fasten them in the middle with fastener**

**Take small cardboard and place at the END of top paper plate**

**Trace it and cut it out OR do it by eye without tracing**

**Write word family on top plate between cut out and fastener**

**Leave more area on top paper plate when cutting larger word families**

**Write individual letters or blends on bottom plate**

**Turn wheel to read words and HAVE FUN!**
